

IMG GOLF ACADEMY CLUBHOUSE

📍 Bradenton, Florida

PROJECT OVERVIEW

SIZE: 7,500

Since 2009, the Golf Academy Clubhouse has been IMG's headquarters for the development of world class golfers.

The building contains group instruction spaces, film review rooms, staff offices, and a pro shop with Cool Clubs driving and putting simulators. The Georgian/Creek Revival architectural style is emphasized with covered perimeter exterior spaces, which are utilized for instruction and observation.
