

PRINCE TENNIS CENTER

📍 Bradenton, Florida

PROJECT OVERVIEW

The Prince Tennis Center at IMG Academy is the global destination for product and athlete performance and development. The advanced innovation facility is outfitted with state-of-the-art product and performance-testing equipment and serves as a testing ground to produce custom designed tennis weaponry using the latest technology and high performance materials. The IMG Tennis Center features a testing laboratory, an observation deck, restroom facilities and casual exterior dining.
