

INTEGRACLICK HEADQUARTERS

📍 Sarasota, Florida

PROJECT OVERVIEW

The 42,000 sq.ft. building effortlessly incorporates both fitness and fun into a productive work space environment. The fitness center includes a tanning bed in addition to the running track and half basketball court. A multi-purpose cafeteria and game zone, as well as several vending areas take lunch break to a new level. A spiral slide connects the first and second floors continuing the lively aesthetic. The open space and energetic lighting preserve the modern dynamic through out the conference rooms and team meeting spaces.
