📍 Sarasota, Florida

### PROJECT OVERVIEW

The Economic Development Corporation of Sarasota County relocated to occupy the 4,000 sq.ft. office space at the Hub in Sarasota. The open floor plan maximizes communication and efficiency among the organization. The office also features a copy room, storage space, and kitchenette. Large windows surround the outside walls adding sleek lines and natural light to fill the space. Exposed air vents and steel ceiling compliment the industrial theme with a lively color scheme, artistic wall decor, and contemporary high-top work tables.
