

## VISIBLE MEN ACADEMY MASTER PLAN

📍 Bradenton, Florida

### PROJECT OVERVIEW

Visible Men Academy is a K-5 public charter school that provides boys from low-income communities with outstanding academic, character, and social education in a nurturing school environment. The school currently operates in space they rent from a local church.

Fawley Bryant helped create the conceptual design for the potential expansion. The new 42,700 s.f. school will be located on the lot next to the currently facility and will hold 400 students. The design of the school will be based on the motto: SHINE: Selflessness, Honesty, Integrity, Niceness and Excellence. The design team is working with the VMA team to create a unique environment with ample outdoor space and flexible classrooms that will allow for both one-on-one interaction and group collaboration.
